Dear Lisa,

I want you to know that many people, both at the facility and visitors to Monarch, have commented on how well David responds to your care and attention.

It is also wonderful for me to know that he is getting his needs met.

Many, many thanks for all that you are doing. It is wonderful to have found someone who can respond to special needs in so appropriate a manner.

Regards,

Kathryn Noles  
(Mrs. David F. Cohen)
